SHAWNEE MISSION 1922

PUBLISHED BY THE STUDENTS AND FACULTY
OF SHAWNEE-MISSION HIGH SCHOOL,
MERRIAM, KANSAS

1947 INDIAN

A QUARTER CENTURY OF PROGRESS

TWENTY-FIVE YEARS AGO there stood on Shawnee-Mission's campus only the East Building —the high school of yesterday. Classes were small; few social or athletic organizations existed, and the variety of subjects and classroom equipment was very limited. The first faculty numbered only eleven and the student body only 156—that was twenty-five years ago.

Today we have a modern school—a well equipped and ably-staffed institution of learning with a large student body. Over 1,100 pupils take part in all phases of school life.

Thus—to compare our school activities of today, 1947, with those of yesterday, 1922, we have chosen as the theme of our book—the Silver Anniversary of our School of Yesterday.

DEDICATION

to the Class of 1923

In appreciation of the glory which their accomplishments have brought to Shawnee-Mission, the *Indian* Staff dedicates this Silver Anniversary yearbook to the members of the first graduating class.

FORMER CHIEFS

Administrators of Yesterday

Through twenty-five years of progress Shawnee-Mission has fortunately had administrators with long-range visions. Their dreams of a greater Shawnee-Mission caused the school to grow. These principals and vice-principals served as buffers and go-betweens for teacher and board, for parent and teacher, and for teacher and student.

D. A. Morgan, Shawnee-Mission's first principal, served from the fall of 1922 to the spring of 1933. Mr. Morgan had dreams of expansion and fostered public relations which encouraged the school's rapid growth. Before leaving Shawnee-Mission, Mr. Morgan began plans for the West Building and an enlarged school plant.

Albert L. Cross entered Shawnee-Mission as vice-principal in 1932 and succeeded Mr. Morgan as principal in 1933-'34. During the twelve years which Mr. Cross guided Shawnee-Mission, the school plant grew to three buildings—East, West, and South. In 1944, Mr. Cross handed the reins of leadership to Howard D. McEachen, our present principal.

O. K. Wolfenbarger joined the Shawnee-Mission staff in 1933 and for twelve years served faithfully as vice-principal. In 1945, Mr. Wolfenbarger was succeeded by Carl D. Gum, our present vice-principal.

With such past leaders who helped Shawnee-Mission achieve its present high standing and with two such able administrators as Shawnee-Mission now enjoys, the future of Shawnee-Mission looks bright indeed.

HOWARD D. McEACHEN

"Ladies and gentlemen." Mr. McEachen has stepped to the microphone. A tall tale or Scotch joke might follow but something worth hearing was sure to come. In his three years in Shawnee-Mission, Mr. McEachen has proved himself to be fair and understanding in dealing with school problems. His efficient secretaries, Mrs. Alberta Gallagher and Mrs. Bettye Hall, helped to keep office routine moving smoothly.

Special honor came to Shawnee-Mission last fall at the Kansas State Teachers' Association when Mr. McEachen was elected vice-president of the Topeka section for 1947. Through contacts with civic clubs and larger legislative groups, Mr. McEachen had opportunities to hear outstanding speakers of national and international repute. Shawnee-Mission students benefited from those contacts. Many eminent speakers came as guests to the high school platform.

Building plans, legislative procedures, and all kinds of local administrative problems filled Mr. McEachen's working day. Serving as a kind of buffer between teacher and student as well as teacher and parent, Mr. McEachen found time to iron out many individual differences.

VICE-PRINCIPAL

September school days and the first week of the second semester found Mr. Gum the busiest. Enrollment, schedule conflicts, overcrowded classes, insufficient rooms for the number of teachers, and worry over seniors' credits were among his perplexing problems. Mr. Gum's office assistants, Mrs. Glen Soellner and Jeannine Caudill, were never idle.

With each semester underway, Mr. Gum turned his attention to scores of other duties. Checking attendance and counseling students were daily tasks. As head of all activity funds and class treasuries, Mr. Gum devoted much time to balancing school accounts. In assigning the year's gate duties from fall football games to spring music events, Mr. Gum made an earnest effort to adjust his assignments to the teachers' convenience. In Mr. Gum's two years here, Shawnee-Mission students and teachers learned to appreciate his sincere desire for fairness and cooperation.

Serving as chairman of the guidance committee, Mr. Gum planned informative bulletins for home-room projects on parliamentary procedure, holiday costumes, hobbies, and such themes.

FROM SHAWNEE-MISSION'S FIRST STAFF of eleven teachers, Mr. M. E. Alleman remains on the present faculty. Three other present staff members who have given long years of successful service are Mrs. Adelle Fast, who came in 1923; Mr. Howard V. Patterson, 1927; and Miss Emma Lyman, 1928.

Shawnee-Mission's first Board of Education numbered only three. Pictured below are those who helped to give Shawnee-Mission its start twenty-five years ago. Mr. A. M. Meyers was president of the Board; Mr. D. M. Alden (deceased) was treasurer; and Mr. F. M. Plake was secretary.

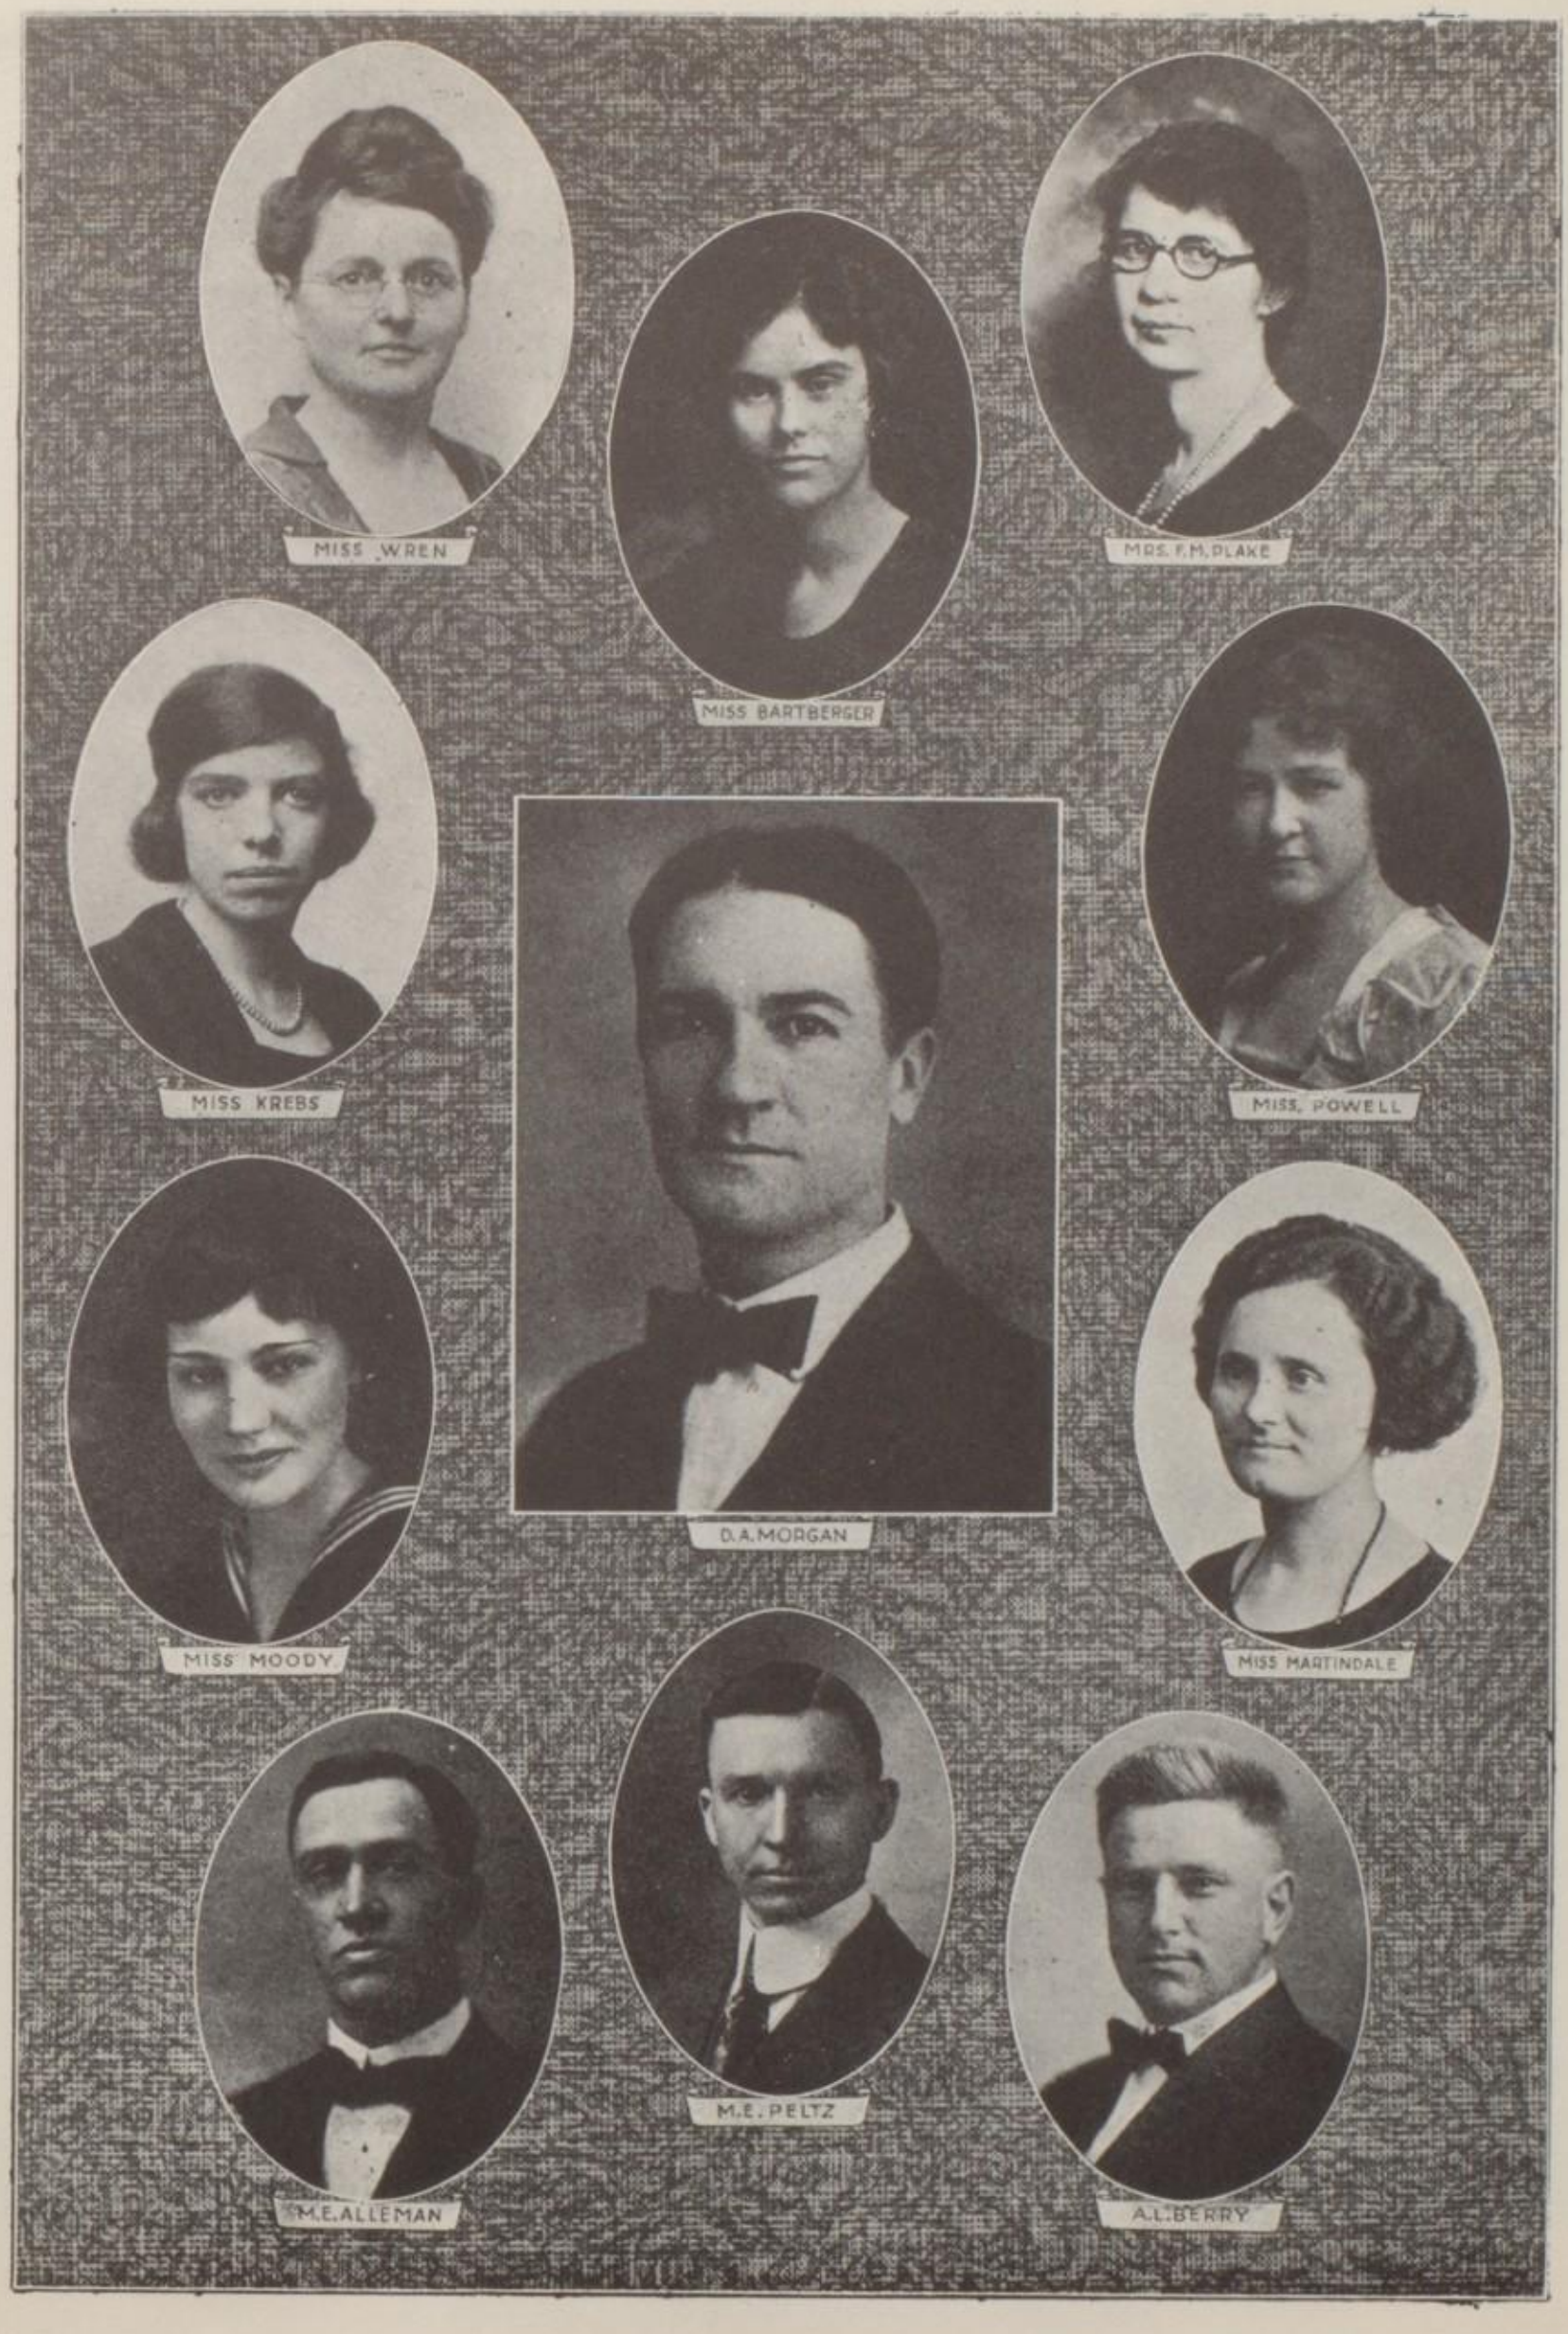
FIRST FACULTY OF 1923



HELMERS, W. H.

BALANCING THE BUDGET, getting needed equipment to operate the school, supporting all activities, and filling vacancies on the teaching staff were some of the tedious duties performed by the Board of Education.

Members of the board were R. L. Fish, director; W. H. Helmers, clerk; J. A. Hall, treasurer; J. B. Hann, and C. Morris Watkins.

These men, who had businesses of their own, took time to meet regularly on the last Monday of each month to formulate policies of school administration.

PARENT-TEACHERS' ASSOCIATION

"LET'S GET ACQUAINTED" was chosen as the Parent-Teacher Association theme for the year. From the September "back-to-school" night at which parents met teachers to the April "fashions a la Shawnee-Mission" style show and departmental exhibits, every meeting offered worthwhile material.

Officers were Mrs. E. M. Wharton, president; Mrs. H. N. Howe, first vice-president; Mrs. J. Lester Brown, recording secretary; Mrs. James Agnew, corresponding secretary; Mr. A. P. Snodgrass, treasurer; Mrs. E. R. Kitchen, historian; Mr. H. D. McEachen, consultant; and Mrs. John Irwin, parliamentarian.

Meetings were held on the third Monday of each month. One of the main projects of the P.T.A. was to support the sidewalk fund. Parent education classes, which met in homes during the month of October, had as their theme "Where Peace Begins."

STUDENT CONGRESS

JOHN AMBERG

Grads and former students register on Alumni Day.

TIME MARCHES ON! Twenty-five years ago student government was unknown, but the Shawnee-Mission Student Congress has come to stay.

Led by J. C. Hawkins, head sponsor, and G. Murlin Welch, assistant, this year's Student Congress supervised public relations, organization charters, honors, and social activities of the student body.

Officers of the Student Congress were president, John Amberg; vice-president, Don Stickrod; secretary, Martha Fraser; and treasurer, Jeanene Trego. Besides these officers this year's forty-four members included presidents and vice-presidents of the junior and senior classes and one representative from each home room.

The social committee, headed by Jerry Maloney, planned and carried out some of the most successful mixers in the history of Shawnee-Mission. The Tacky Dance, Formal Mixer, and Sweater Dance were outstanding examples.

Blue jeans and blazers are favorites at Tacky Dance.

Cupid Couples are chosen at Valentine Dance.

In Memoriam

ALTA MAE BRINK

Miss Brink was everyone's friend. To know her was to love her. In the three short years she served as Shawnee-Mission's librarian, her cheerful smile and kindly word helped students and teachers alike. During the months of intense suffering, Miss Brink's concern was for her unfinished work at school. Her conscientious loyalty to a task once started drove her to completion of the task. She loved life and wanted to live. Her indomitable courage and zeal will forever be an inspiration to us, her friends, whom she has left behind.

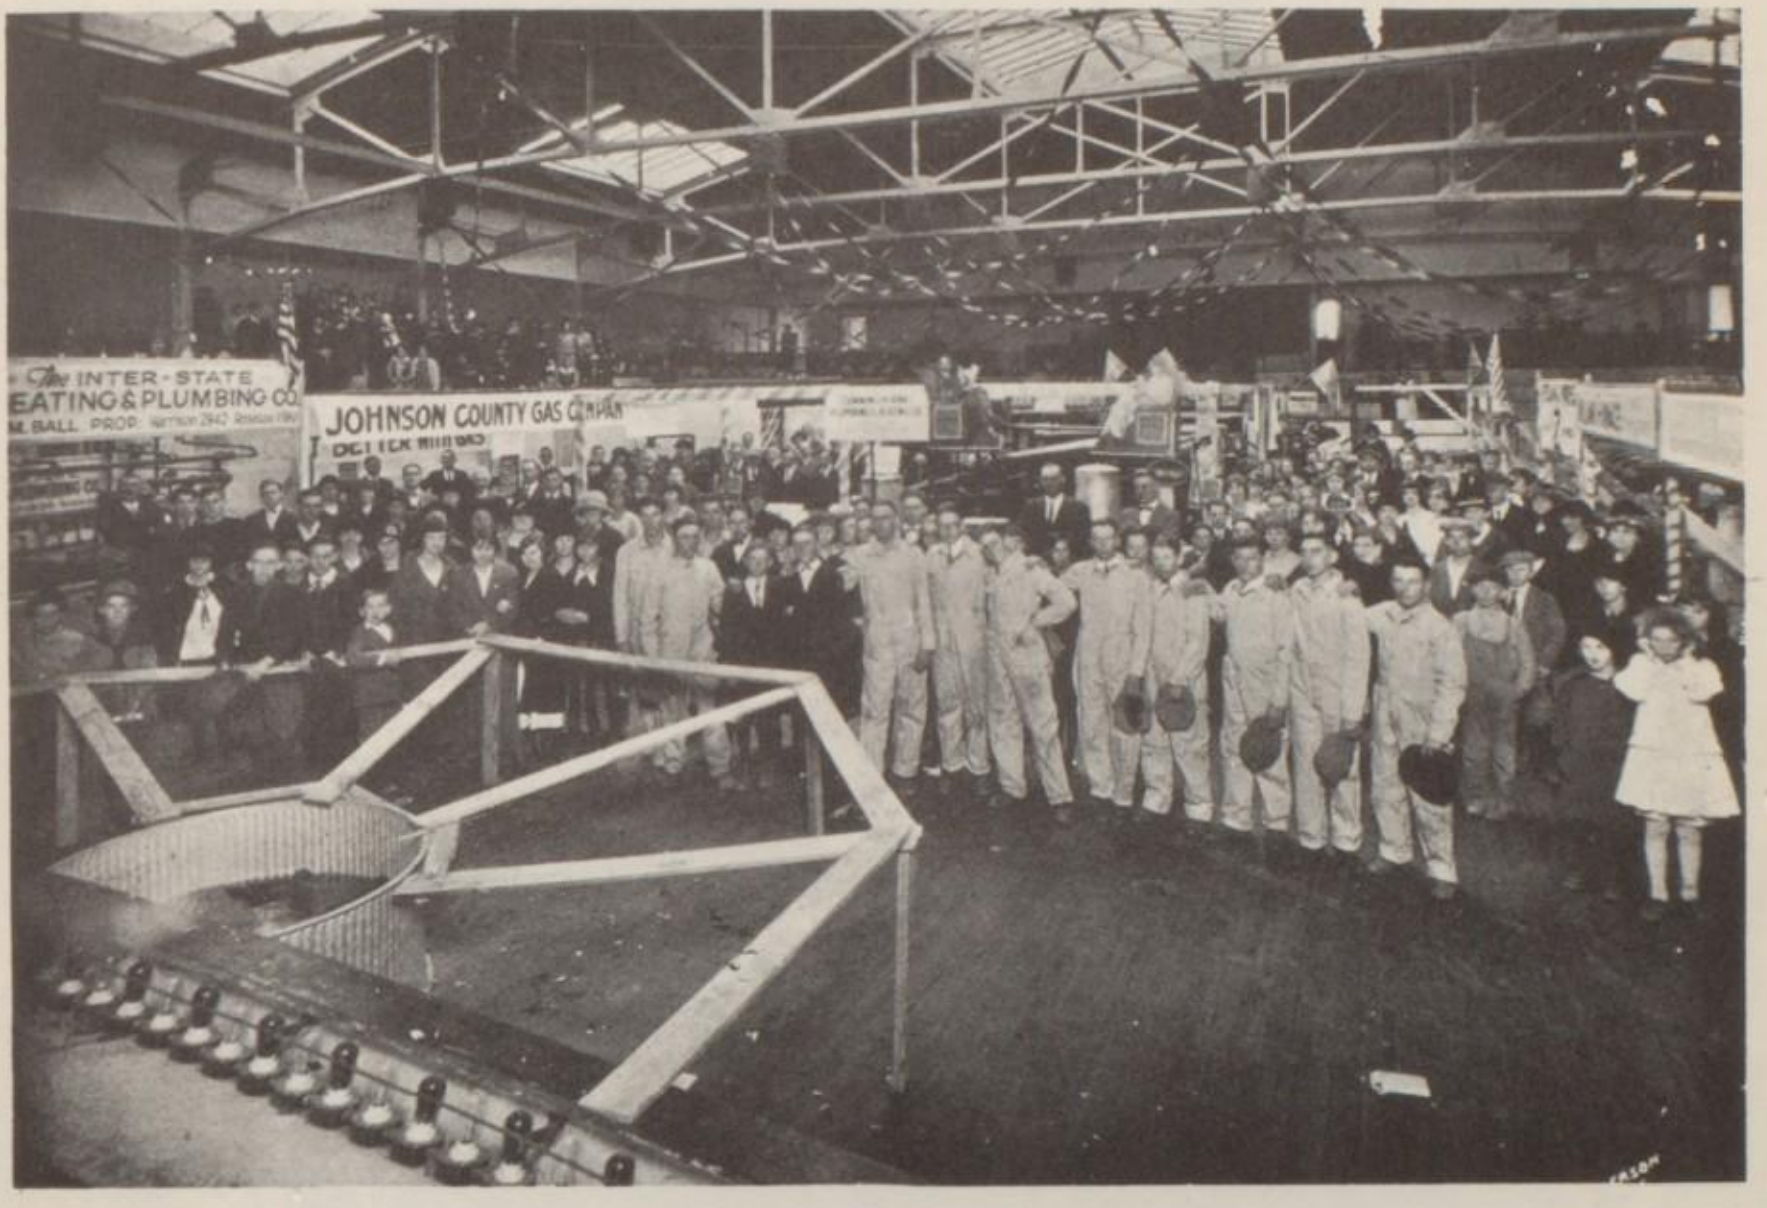
ALTA MAE BRINK
Died December 18, 1946

THE HUMAN TOUCH

'Tis the human touch in this world that counts,
The touch of your hand and mine,
Which means far more to the fainting heart
Than shelter and bread and wine;
For shelter is gone when the night is o'er,
And bread lasts only a day,
But the touch of the hand and the sound of the voice
Sing on in the soul alway.

SPENCER MICHIAL FREE.

FESTIVAL OF YESTERDAY



IN THE "GOOD OLE DAYS"—NOVEMBER, 1923

REMEMBER THE FALL FESTIVALS that Shawnee-Mission used to sponsor? People came from far and wide to see displays of every imaginable nature. Attendance grew to number 7,000 before the Festivals were finally discontinued in 1936.

The first Fall Festival was held at the high school in 1923. The fair, which lasted for three days—November 1, 2, 3—was considered a huge success. The *Indian* published by Shawnee-Mission's first graduating class stated that the first festival's success was "due to the untiring efforts of Professor Berry, Manager of the Festival, and Mr. D. A. Morgan, Superintendent of the School."

Companies which exhibited at that first fair were Kansas City Power and Light, Byrne Lumber Co., Holland Furnace, Wyandotte Feed Co., Ford Motor Co., Johnson County Gas Co., Cunningham Heating Co., Kansas Evergreen Nursery, R. O. Larson, and Frisbie Coal Co.

CLASSES

Memories

Memories . . . classes . . . as haunting as the lilting strains of an old song . . . faces and names that will forever linger in memory as seniors, juniors, sophomores, and freshmen.

"Auld Lang Syne" . . . the climax . . . seniors . . . baccalaureate, commencement, and farewells. "One More Tomorrow" . . . juniors . . . the top of the ladder now in sight . . . the Prom, candle-lighting procession, caps and gowns enviously viewed from afar. "Sooner or Later" . . . sophomores . . . the goal seems so far off . . . carefree fun and frolic . . . who cares about graduation yet? "Those Endearing Young Charms" . . . freshmen . . . with never a worry but many a smile.

So memory turns the pages of time; and, like long-remembered strains of music, melodies live again in faces and names.

SENIORS

GRADUATES OF SHAWNEE-MISSION on its Silver Anniversary! The class of '47 deemed it a high privilege to climax this milestone of progress with commencement exercises.

Fall senior activities got underway with a warm election campaign. When the seniors went to the polls, they chose an all-male quartet of officers — Jerry Maloney for president; Lyn Smith, vice-president; John Eulich, secretary; and Don Kahan, treasurer.

Commencement is in the air.

Class rings arrived in early November, and commencement invitations were selected soon thereafter. Most important of all fall activities for the seniors was their class play, *Junior Miss,* which was given with dual casts on two evenings. Miss Ruth Browne, Thespian sponsor, directed *Junior Miss.*

Head senior sponsor was Mr. Strong. Other senior sponsors were Miss Anna Marie Edwards, Miss Emma Lyman, Mr. Shular, Mrs. Spring, Mr. Starkey, Mr. Swanson, and Mrs. White.

Martha Fraser was crowned Home-coming Queen at the Olathe game. Dottie Jones and Helen Kittle attended her. Athletic seniors earned their share of letters in football, basketball, and track. Honors also went to senior debaters, musicians, members of the National Honor Society, and Thespians.

As a climax to social events, the Junior-Senior Reception was held in the spring.

JUNIORS

LIKE VETERANS, two hundred and seventy-three juniors who arrived in September took over their new role as upper classmen. A heated election campaign resulted in the choice of Bill Reddig for junior president; Bob Cumley, vice-president; Marilyn Hardin, secretary; and George Slough, treasurer.

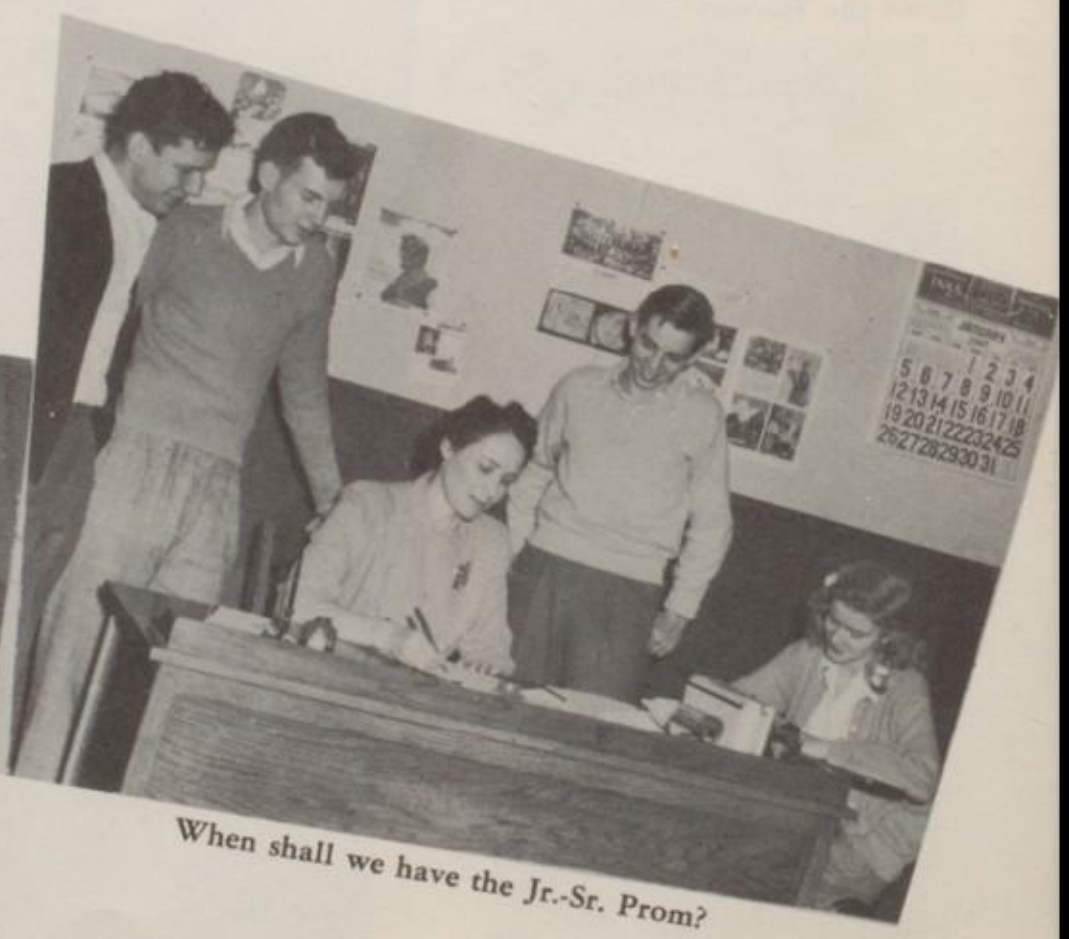
Selection of the class rings in the fall, a successful junior play in late winter, and the Junior-Senior Reception in the spring were events which interested all juniors.

Five per cent of the junior class was elected to the National Honor Society. Eight juniors were chosen to assist with the 1947 *Indian*. Juniors with athletic ability were on the job collecting letters in football, basketball, track and golf. These athletes were loyally supported by the thirty juniors who were elected to the Pep Clubs. Judy Johnson and Bob Brown represented the juniors as cheerleaders.

Head sponsor of the junior class was Miss Viola McFarland. Other junior sponsors were Mr. Alleman, Mrs. Fast, Mr. George, Mr. Hawkins, Mrs. Irwin, Mrs. Magnuson, Mr. Pigg, Mr. Reade, and Mr. Snodgrass.

With the completion of such a successful school year, the class of '48 has shown itself capable of assuming responsibility as seniors next year.

We want a part in the junior play.



When shall we have the Jr.-Sr. Prom?

Assembly plans in the making

"WELL BEGUN IS HALF DONE" goes the old proverb. Having made a good beginning, the Class of '49 reached the half-way mark with few casualties along the way.

Rivalry was keen as campaign managers waged their contest over election of class officers. A spirit of fairness and good fun prevailed, and the campaign closed with satisfactory results. For their leaders the sophomores chose Mark Rivard as president; Lewis McCann, vice-president; Diane Brewster, secretary; and Jack Luschen, treasurer.

Head sponsor for the sophomores was Mr. Ison. Assisting sponsors were Miss Elizabeth Boys, Miss Ruth Browne, Mrs. Crain, Mr. Finnerty, Mr. Gorsage, Mrs. Hodshire, Miss Margaret Hogan, Mr. Patterson, Mr. Redpath, Miss Velma Seaton, and Mr. Welch.

No school activity progressed without the sophomores' active participation. Many stalwart sophomores found their places on football, basketball, and track squads. Thirteen sophomores were Pep Club members. Sophomore debaters held their own with more advanced debaters. Music groups had several members of this class enrolled. At a sophomore assembly dramatic talent was discovered as the story of "Little Red Riding Hood" came to life on the stage.

With the completion of two successful years as underclassmen, the sophomores look forward to becoming upper-classmen next year.

FRESHMAN CLASS

"THEY GET SMALLER EVERY YEAR," say the upper-classmen as they look over the new crop of freshmen in the fall of the school year. Diminutive of stature though they may be and green as traditional freshmen, green things usually grow.

The class of 1950 has been no exception. Its members have grown in wisdom, prominence, and active participation in all phases of school life. They have taken their places in the Pep Clubs, athletic squads, music groups, clubs, and Student Congress. No more loyal group could be found.

FRESHMEN

Talking over freshman problems

Because the freshmen were busy getting acquainted with the school and each other, excitement was less evident in their election campaign than in those of the upper classes. The campaign was a successful one, however, and four capable leaders were selected.

For class president the freshmen chose Bob Coursey; for vice-president, Norma Jean Miller; secretary, Beverly Brent; and treasurer, Jack Armstrong.

Mr. Barnett was freshman head sponsor. His assisting sponsors were Mr. Allison, Mr. Garver, Miss Edna Hetzel, Miss Vera Lawellin, Mrs. Lawrence, Miss Nellie Jean Sutton, Miss Dora Wilson, Mr. Unruh, and Miss Gertrude Welch.

To start off the year the marching band played at most of the football games, and participated in two festive parades. Next came the Pep Band which played at all pep rallies and basketball games.

Our concert Band, after much sweat and practice, played for two successful student assemblies and presented one Winter Concert. Believing that the band is an important asset to the school and that through it many people form opinions of the school, the band played two exchange concerts at other high schools, and participated in a band day at K. U. They also competed in the annual music festival at K. U., at which they took first rating. As a reward for months of work, band members rounded out the year with a well-deserved picnic.

"Symphony" ORCHESTRA

UNDER MR. HAROLD GEORGE'S DIRECTION, the orchestra enjoyed a successful year. Officers were Dave Gilman, president; Teddy Seligson, vice-president; Mary Swanson, secretary; and Teddy Reeves, treasurer.

School assembly programs were presented in October, February, and May. For the "It Pays to be Smart" radio show in November, the orchestra furnished several numbers including Tschaikovsky's "Piano Concerto in B-flat Minor". An Indian Cavalcade that brought a packed house was sponsored by the band and orchestra in order to purchase new equipment. At class plays and for National Honor Society initiation the orchestra furnished music. An exchange assembly at Argentine and some grade school concerts to encourage potential S-M musicians all gave the orchestra publicity.

At the end of the first semester the orchestra was enlarged by the addition of Delores Renfer and Conrad Johns, string bass; Jereldine Raitt, cello; Bob Yendrek, tympani; Bob Collins, alto saxophone; Don Jack and Lenore Simpson, clarinet; Carl Gum, Jr., and Tad McGavran, flute; and Sam Smith, oboe. On April 12 the orchestra traveled to Lawrence for the Music Festival at Kansas University, at which they received second rating. The Formal Concert was given on April 25, and the orchestra played for the Commencement Week exercises May 25 to 27.

COMEDY, drama, politics, boogie, and oddities were the features of the 1947 Indian Cavalcade, the all-school variety show. Harold George, instrumental music director, supervised the production. The script committee was Dottie Jones, Bob Larberg, Shirley Kyle, and Tom LaBar.

"Vote for Wintergreen", a political farce, portrayed Clarence Hughes as Wintergreen, and Dottie Poindexter as his flighty wife. Bob Robertson, the loud political boss, Don Cohn and Art Brewster, his henchmen, and Charles Howe, talkative publicity manager, helped to make the show entertaining and amusing.

VOCAL MUSIC

REMEMBER the Christmas "Messiah," the Winter Concert, and that hilarious musical comedy, "Good News"? These were presentations of the vocal music department, which included the Girls' Glee Club, Choir, Mixed Chorus, Boys' Quartet, and Girls' double trio. All these were under the direction of Mrs. Mary R. Spring.

Music groups sang for churches, the Rotary Club, Kansas City Safety Council, and various other organizations.

Mary Swanson, junior, and Shirley Brown, senior, were the accomplished accompanists for the vocal music department.

At the K. U. Festival, choir received the rating one; the double trio, rating one; five vocal groups, rating one; and two vocal groups, rating two.

At joint Hi-Y-Y-Teen meetings the entire student body enjoyed films and special round-table discussions.

Some of the outstanding speakers of the year were Rev. Large from the Countryside Christian Church; Rev. Sterling from the Shawnee Methodist Church; and Mrs. Eddy, a very outstanding speaker from the National Conference of Christians and Jews in Kansas City. Mrs. Eddy told many of her experiences as a world traveler and many things she had seen in the Orient. In cooperation with the Hi-Y organization the Y-Teens brought special speakers for the National Brotherhood Week. The three speakers represented three different faiths—Catholic, Jew, and Protestant. These speakers were well received by the student body and did much to foster a feeling of brotherhood among all classes of people.

THE LIGHTHOUSE

TO PROMOTE the principles of Christianity through hymns, Bible study, prayer, testimony and messages by members and guest speakers was the purpose of the Inner Circle and Lighthouse Club. M. E. Alleman was faculty sponsor for both organizations.

Lighthouse officers were Larry Marsh, president; Alma Sue Harris, vice-president; and Delores Renfer, secretary-treasurer. Inner Circle officers were Bob Gorman, president; George Hare and Alma Sue Harris, vice-presidents; John Allison, treasurer; and Irene Renfer, secretary.

Inner Circle meetings were conducted before school each morning. The Lighthouse Club met on Tuesday during activity period.

The Inner Circle was affiliated with the city-wide "Youth on the Beam Clubs". The city council of the "Y.O.B." was made up of one representative from each Inner Circle Group in Kansas City. Each Inner Circle president was a member. Alma Sue Harris was the local representative who, once each month, attended council meeting at Grand Avenue Temple.

Speakers especially enjoyed by the Inner Circle and Lighthouse groups were graduates who had formerly been members of the religious organizations.

"ACT WELL YOUR PART, there all the honor lies" was the motto of Thespian Troupe No. 413 of Shawnee-Mission. Membership in the society was based on participation in several play productions. On a basis of points attained candidates were elected to membership. Not only acting qualified students for membership, but also prompting, make-up, property work, advertising, or any other production duties that contributed to the life of the organization. Since this organization is nationally acknowledged, the membership is for life.

Miss Ruth Browne has been Thespian director during the eight years of the troupe's existence. Her enthusiasm and loyalty have been responsible for the success of the organization. Officers of Troupe 413 were Mickey Wharton, president; Helen Kittle, vice-president; Shirley Kyle, secretary; and Betty Land, treasurer.

Working hand-in-hand with the Drama Club, the Thespians helped to make class plays highlights of the school year. The two dramatic organizations represented Shawnee-Mission at the K. U. Speech and Drama Festival in March.

"The Valiant," a one act play; "The Importance of Being Earnest," a radio play; and a reading by Joan Barnard were all presented at the festival. Each presentation was judged by critics appointed from K. U. speech departments.

Formal initiation ceremonies were held in March. At this time many seniors were welcomed as Thespian members.

FOOTBALL

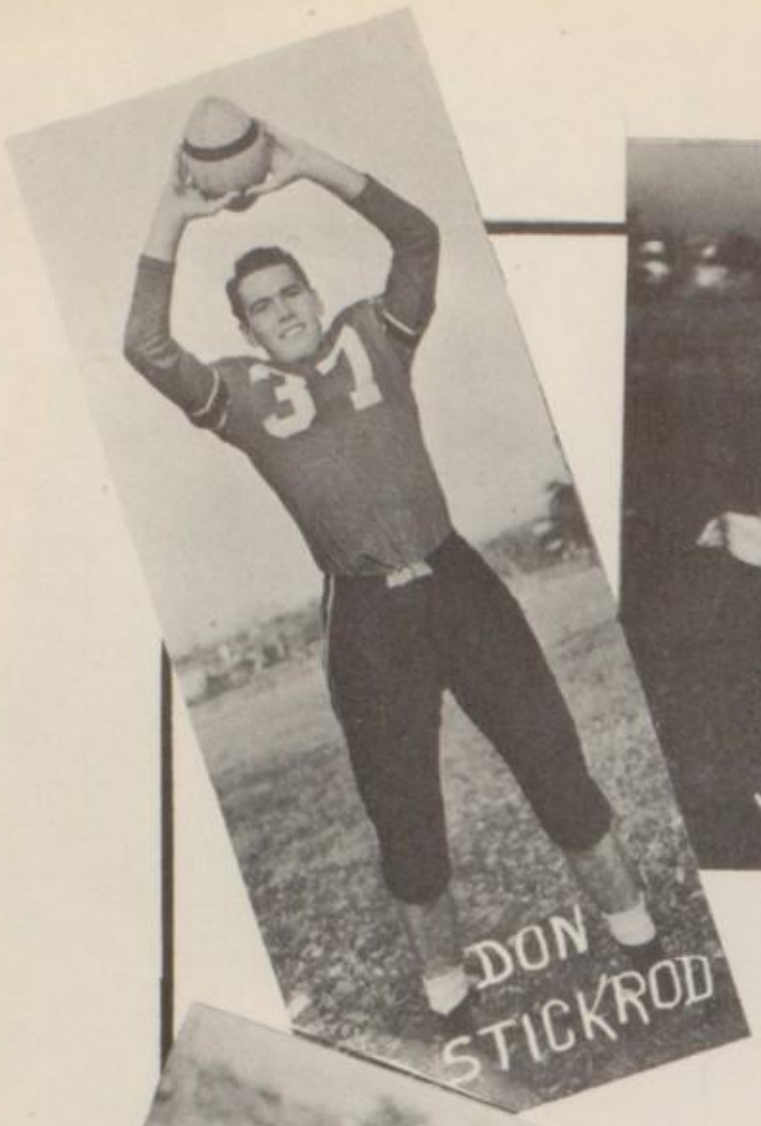
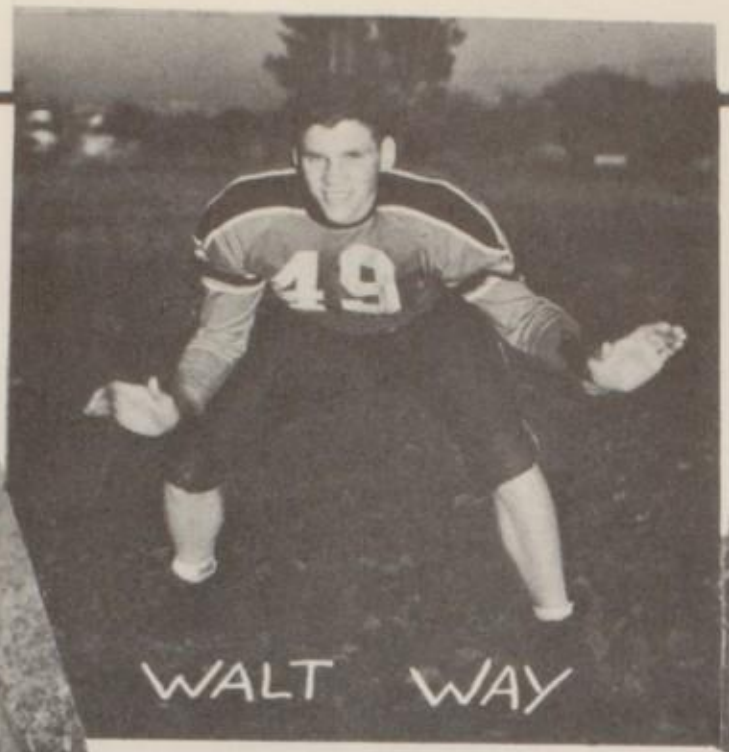
PRE-SEASON INDICATIONS that Shawnee-Mission would have an exceptionally good team proved true. Fifteen lettermen who returned formed an excellent nucleus around which the team was built. The remainder of the squad was composed of graduates of the previous year's second team. They were drilled in fundamentals but lacked league competition. Toward mid-season this group clicked

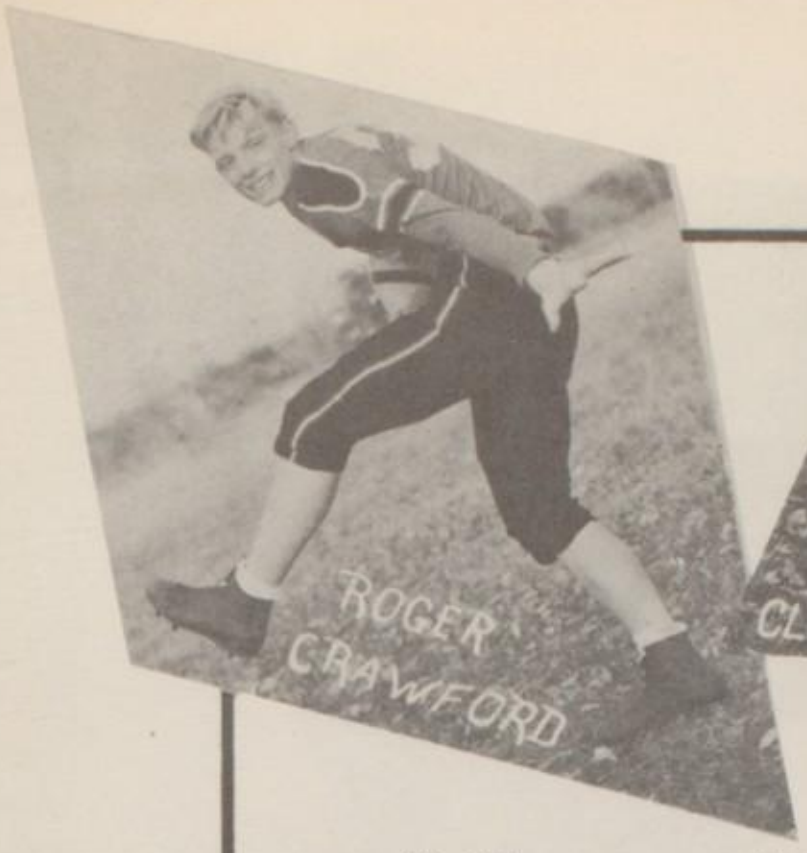


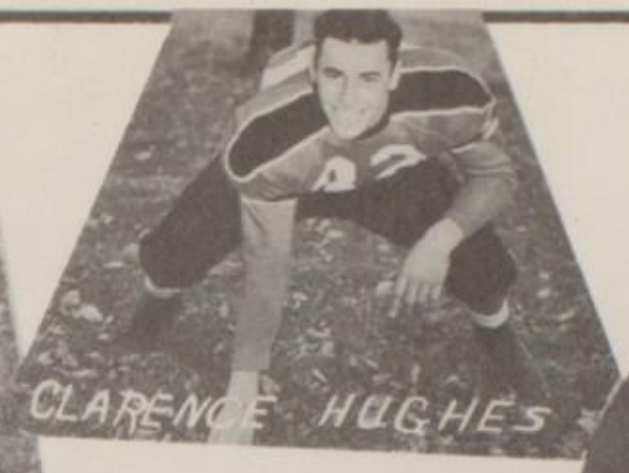


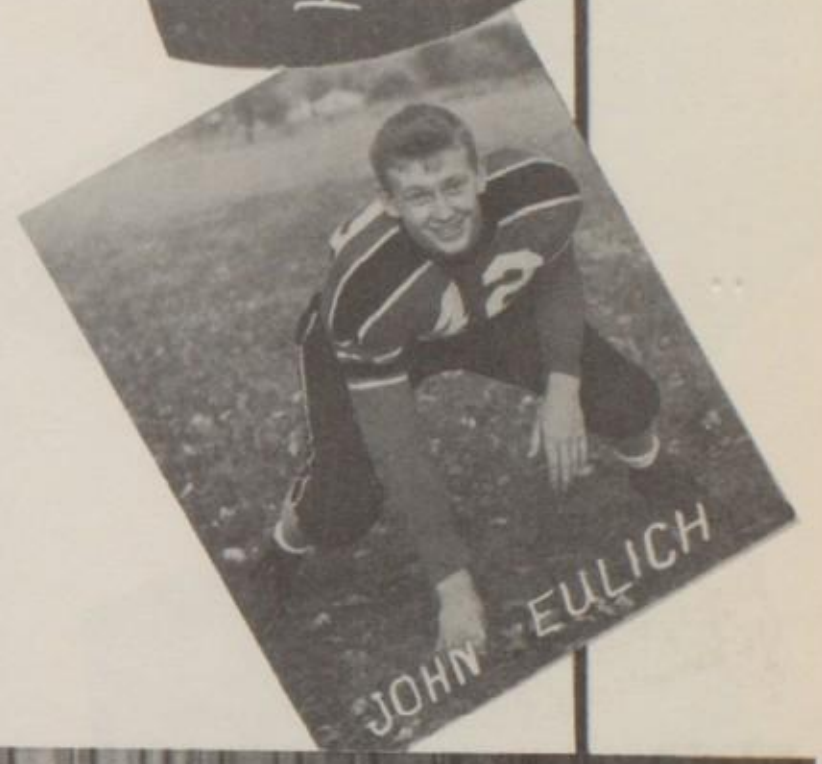
with mechanical precision. The wonderful support given to the backfield and fine spirit of cooperation among the eleven were outstanding factors in many victories.

The Indians made their grid debut against a strong Rosedale team which had never previously beaten the local gang on their own field. This game was no exception as the red and black men completely overwhelmed Rosedale 20 to 0.

The second tussle found the Indians pitted opposite their staunch rivals from Wyandotte. Although on the short end of a 14 to 6 score, the statistical record gave the local team an advantage in everything except the



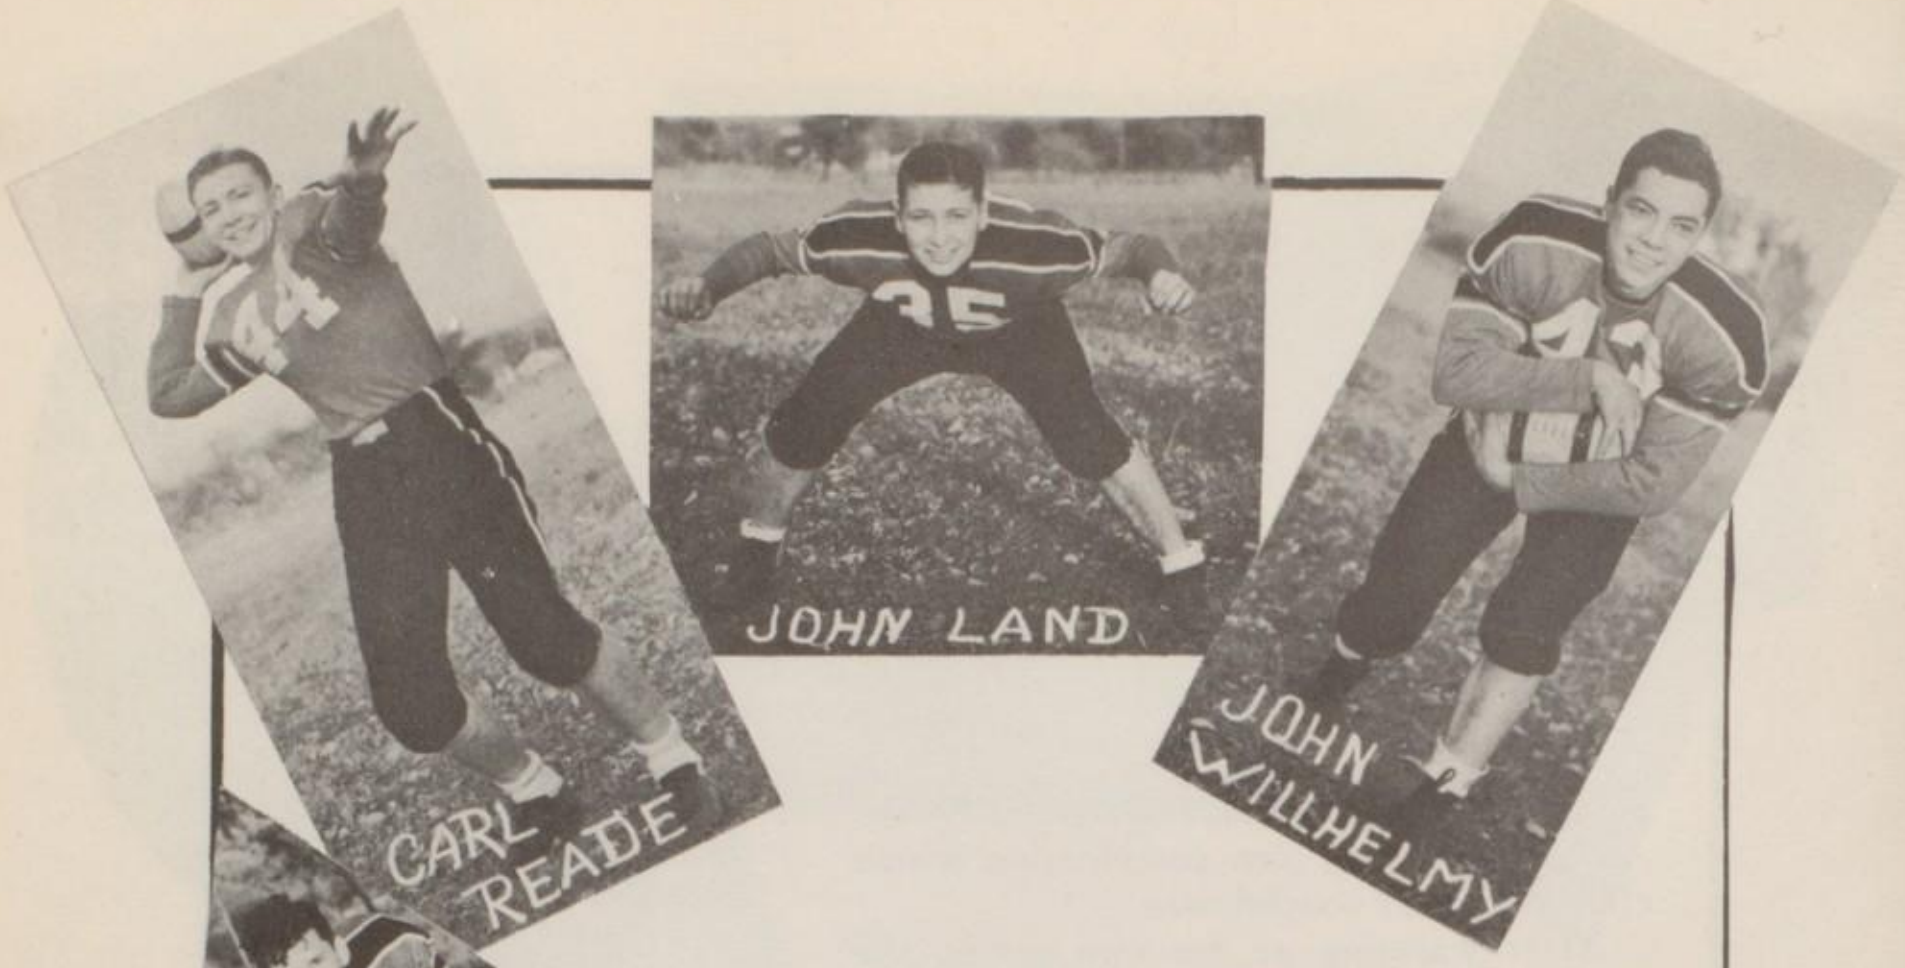




pay-off. The game was highlighted by the Amberg-to-Smith pass combination which clicked for our touchdowns.

After warming up for two games, the Shawnee-Mission grid-machine romped over the Argentine Mustangs and administered them a sound beating, 31 to 0. Amberg, Rein, and Smith were the big guns in the Indian attack, each contributing a touchdown, the latter counting twice. Clyde Sterling, hard-charging Indian tackle, and Jack Luschen, guard, led the team in holding the high scoring Mustangs to a total of 12 yards in rushing.

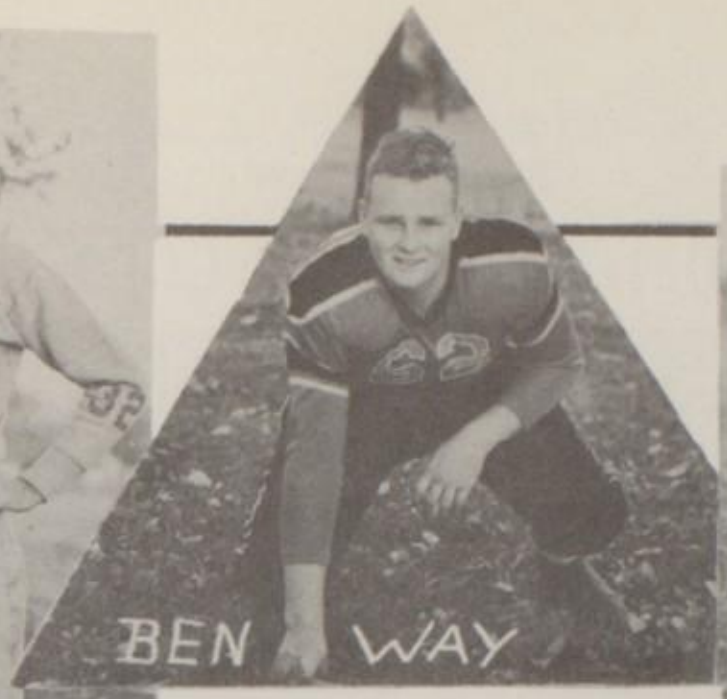
The game which decided the championship of the N.E.K. was played at Lawrence the following week. It was in this game that our clean-fighting boys, outweighed many pounds to the man, displayed a brand of

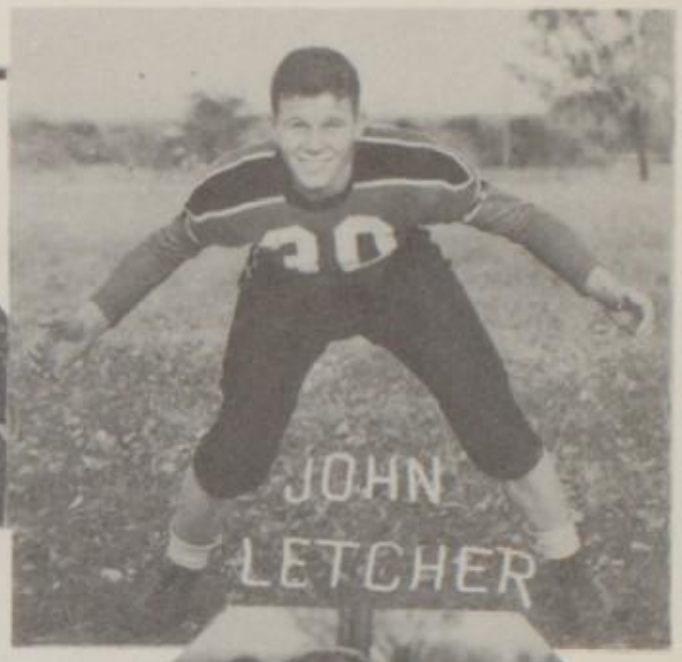


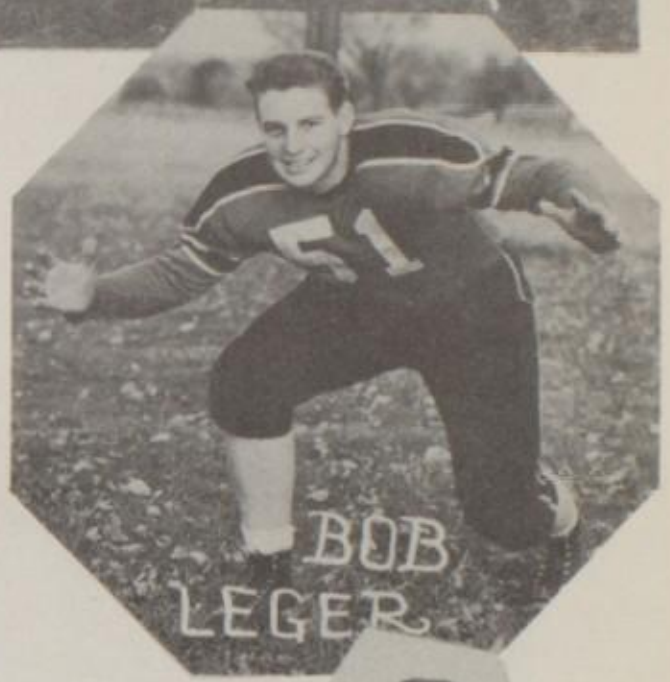
football that would make any All-American sit up and take notice. During the entire game they showed a spirit that could not be questioned anywhere. Though the game was lost 21 to 18, we were proud of our players, for they fought a determined game, an inspired game, and, with a little luck, could easily have emerged victorious. Trailing 21 to 6 at the half, the Indians staged a brilliant comeback and all but dethroned the champions in a rousing finish that netted two touchdowns in the closing minutes. Again it was Amberg leading the attack, with Smith, Sterling, Way, and Eulich starring in the line.

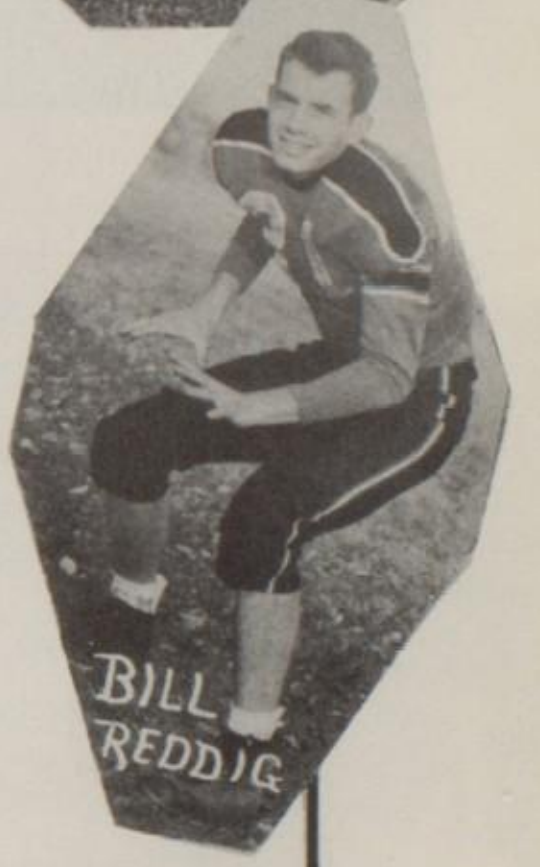
Olathe was unfortunate in meeting an Indian team which was rebounding from the defeat of the previous week. The Eagles put up a good fight but were outplayed from the start. The final score was 24 to 0.

The Olathe game proved just a tune-up as the Reade-men anihilated Atchison 52 to 7. With the stalwart Indian line opening holes in great style and with Maloney, Reade, Smith, Cumley, Amberg, and Crawford contributing touchdowns, the Redmen proved no competition for the high-geared S-M outfit as they chalked up their third league victory and moved into second place in the standings.









The final league engagement found the Indians maintaining their winning ways by crushing Leavenworth 37 to 13.

As an added attraction for the many loyal football patrons, a benefit game was arranged with Rockhurst, champions of the Catholic League. For many of the seniors, this would be the last time that they would be wearing that old red and black. They decided to close their season in glory, both for themselves and their school. This game will long remain in the memories of many of the players for not only did they scalp Rockhurst 48 to 0, but they also put on an exhibition of football such has never been seen on this gridiron before. This was a crowning climax to a very successful season.

Although we did not win the crown this year, we may look back with satisfaction at the square, clean, never-say-die play that those thirty-three boys used throughout the year. Once again Shawnee-Mission has, by being runner-up in the league standings, shown that she is reliable when each season rolls around. This is due not only to the teamwork and whole-hearted support of the squad but also to head-coach Harold Reade and his assistants. Wer'e proud of our team; we're proud of their spirit and courage, we're proud of the way they come back fighting.

HOME-COMING QUEEN

Queen Martha Fraser reigns with a smile

Bob crowns Martha in front of cheering spectators

GOWNED in white lace, Martha Fraser, a petite and pretty senior, was crowned Home-Coming Queen at the Olathe football game on October 18. With splendor befitting royalty, Martha was escorted to her throne, crowned with a golden coronet, and presented an arm bouquet of red roses.

Attending her royal majesty were the seniors, Helen Kittle and Dottie Jones, who were presented arm bouquets of white chrysanthemums. Mr. McEachen, principal, made the flower presentations. Male escorts to the queen and her attendants were Bob Larberg, Bob Brown, and John Brooks. Color for the gala occasion was furnished by the Pep Clubs, and the band furnished the fan-fare.

BASKETBALL

CHAMPIONS! As the curtain fell bringing to a close a very colorful and successful basketball season, the red and black floated supreme over all. Months of practice led to the N.E.K. league championship and fourth place in the state tournament. At the start of the season the boys were faced with rather trying situations. Sports writers had predicted that Shawnee-Mission would be the team to beat. Successful showings in five pre-season games with Southwest, Northeast, Westport, Wyandotte, and Rosedale respectively gave S-M a reputation to meet.

Thoroughly experienced by these successes, the Indians started their league schedule by toppling the Olathe Eagles. Then the great machine broke and gave way to Ward, temporarily recov-

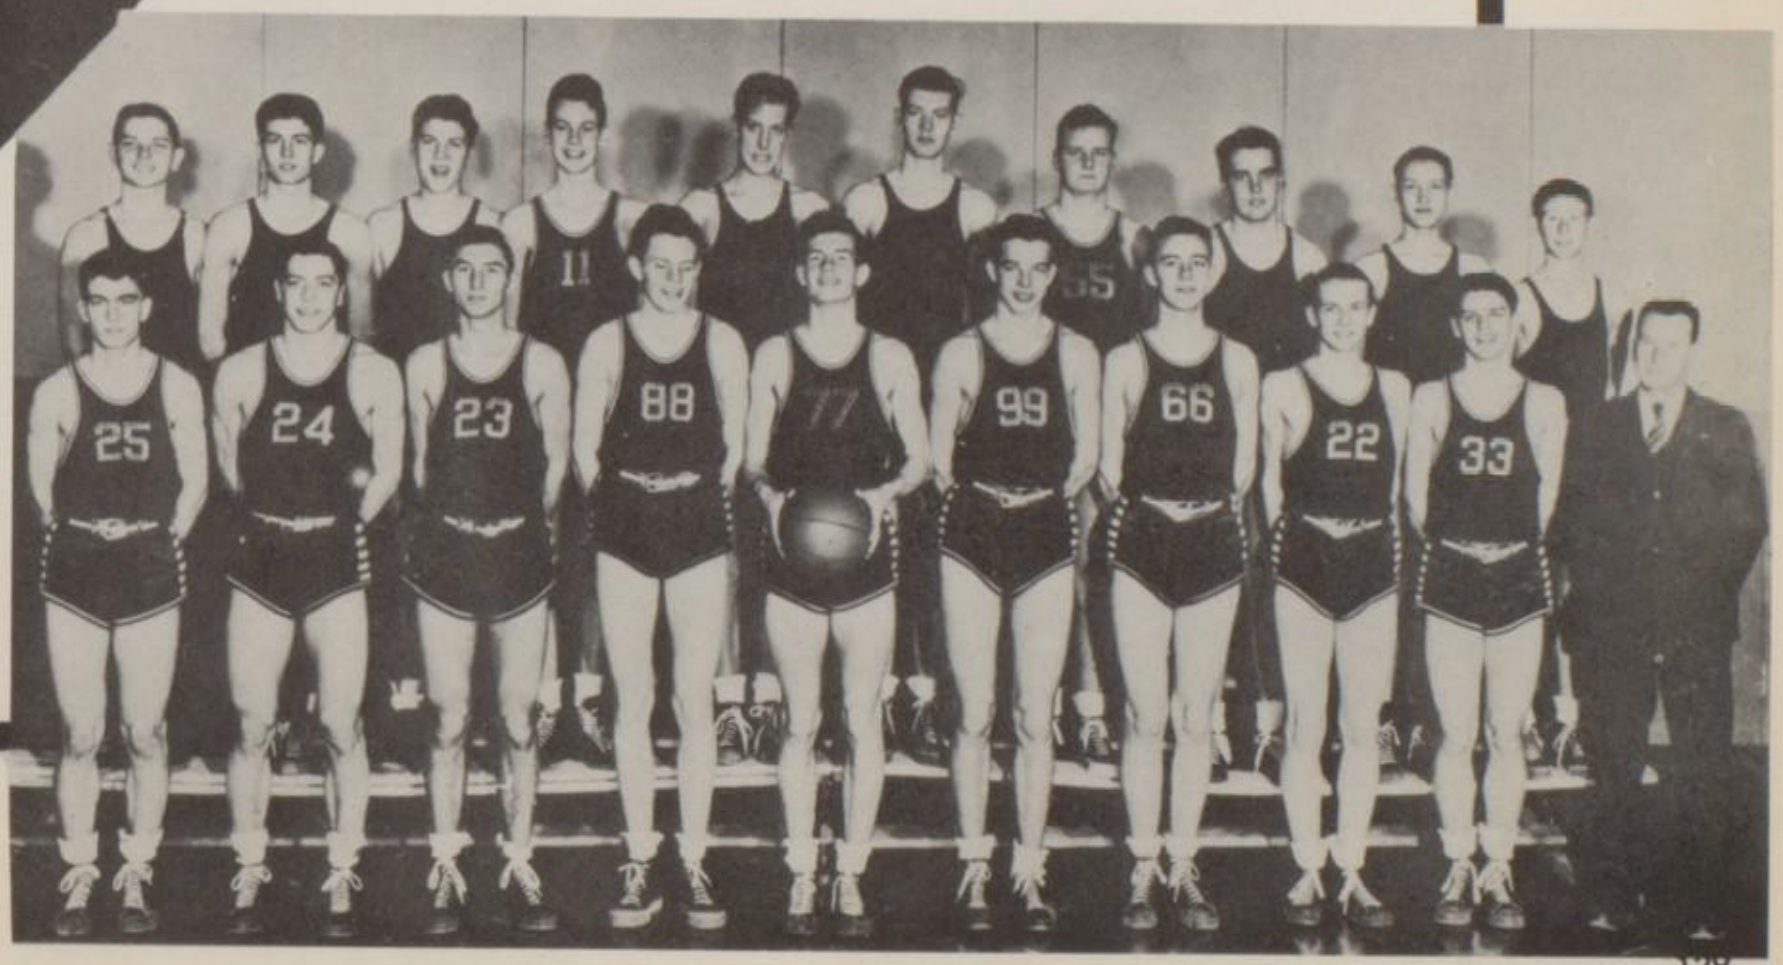
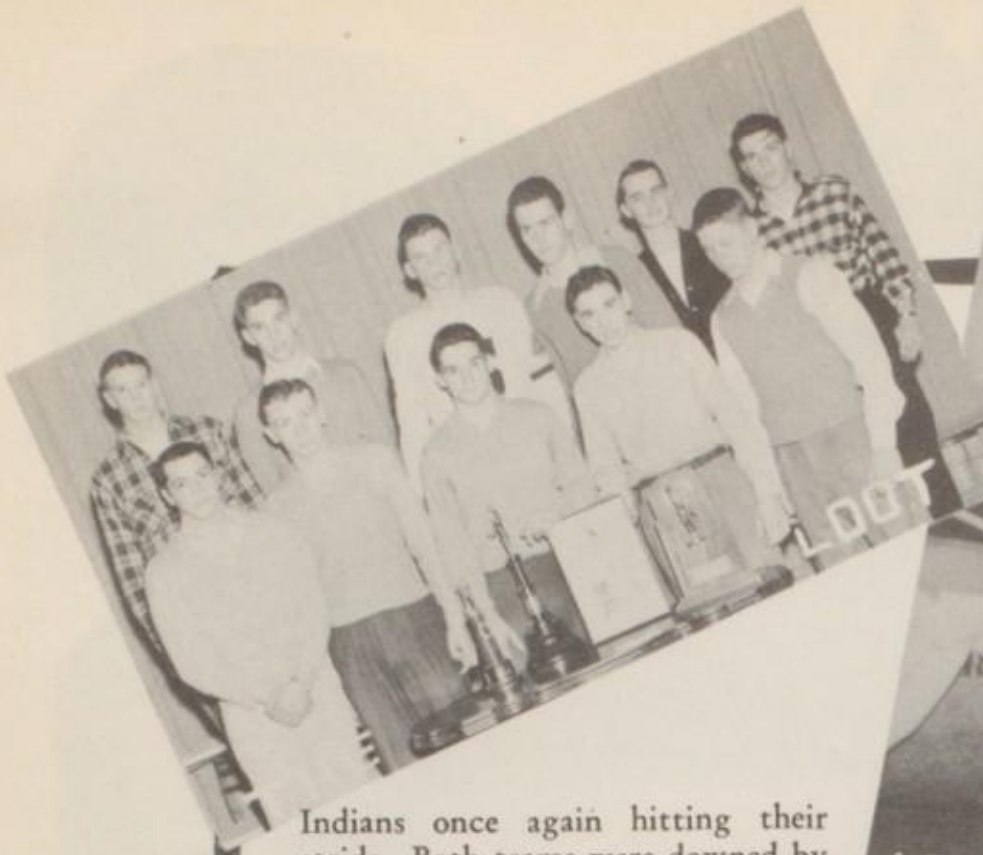
ered by downing Newton, defending state champs, and then relinquished to Winfield.

Once more finding the victory trail, the Reade-men in rapid succession romped over Argentine, Leavenworth, Olathe, Ward, and Argentine. The Indians were resting undisturbed atop the league standings. However the big game for which the basketeers had been priming since the start of the season was here. That game was with the defending champions from Lawrence. Having previously beaten the Lions in an earlier engagement, the cagers were determined to duplicate that performance and bring back the championship to Shawnee-Mission. However brilliant the Indians might have been, the opposition was just a little sharper. The game ended with the local boys on the short end of a 24-22 score. This threw the league race into a deadlock between the Lions and the Reade-men.

Apparently discouraged by this defeat, the basketeers were again beaten the following game by a much improved Wyandotte five. The final league games with Atchison and Leavenworth found the





Indians once again hitting their stride. Both teams were downed by considerable margin.

In the meantime the Lions had been knocked from the top position by the unpredictable Argentine five who upset the champions by a 7 point margin. The Indians now claimed undisputed leadership as the season closed and were presented with a well-deserved championship trophy.

Their regular schedule having been completed, the S-M quintet was invited to participate in the Wyandotte Regionals a week later. Not only did our cagers enter this tournament, but they gained added laurels for themselves and their school by completely outclassing all opposition in winning the first place honors in decisive fashion. Their two victims were Wyandotte and Ward, whom they defeated on successive nights.

WITH FIVE CONSECUTIVE N. E. K. League Championships as past attainments Coach Reade and the Golf team began the season hoping to duplicate past records.

Shawnee-Mission won their first three meets with Leavenworth, April 4, Rosedale, April 9, and the Emporia invitational April 11. As the Indian goes to press the team is looking forward to the N. E. K. Tournament, the State Tournament and the Greater Kansas City Tournament.

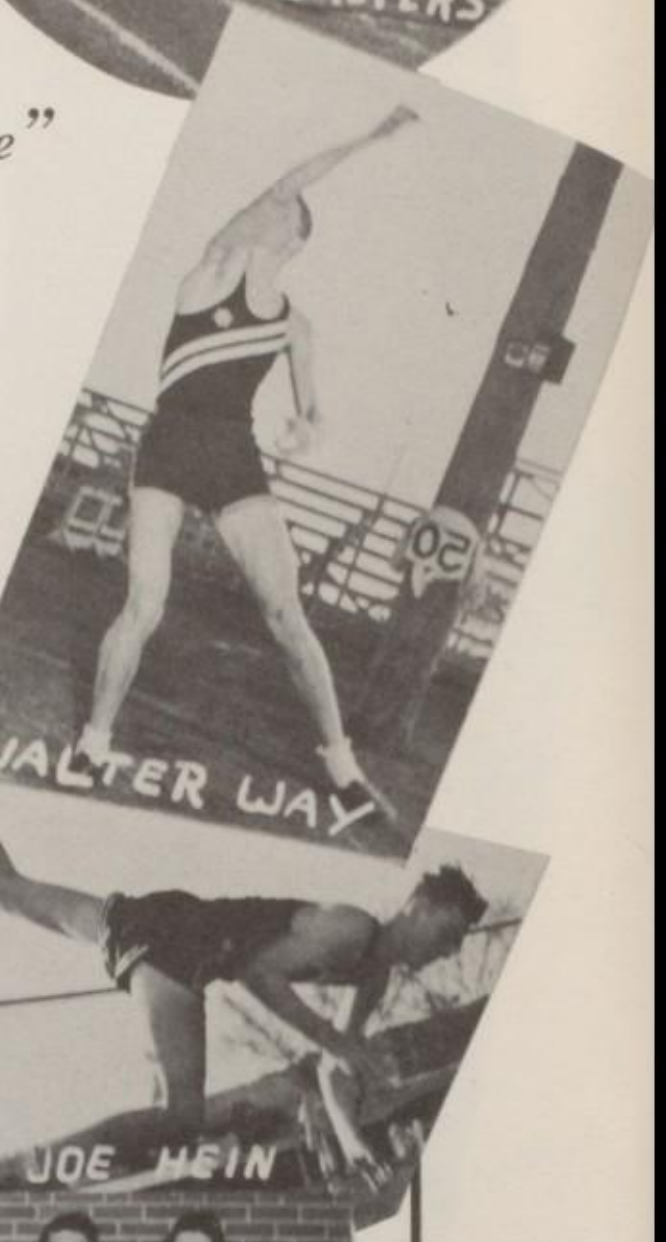
TRACK

SUPPORTED by returning lettermen and by many newcomers to the cinder path, Shawnee-Mission developed one of the strongest track teams of many seasons.

Coach "Pop" Snodgrass had eight lettermen as a nucleus for this year's team. Although Captain Lyn Smith was still participating in basketball at the time of the opening meet, a squad of approximately six boys carried off top honors at the Bix Six Indoor Track Meet held in the Municipal Auditorium, March 1, and Shawnee-Mission completely out-classed Wyandotte and Argentine.

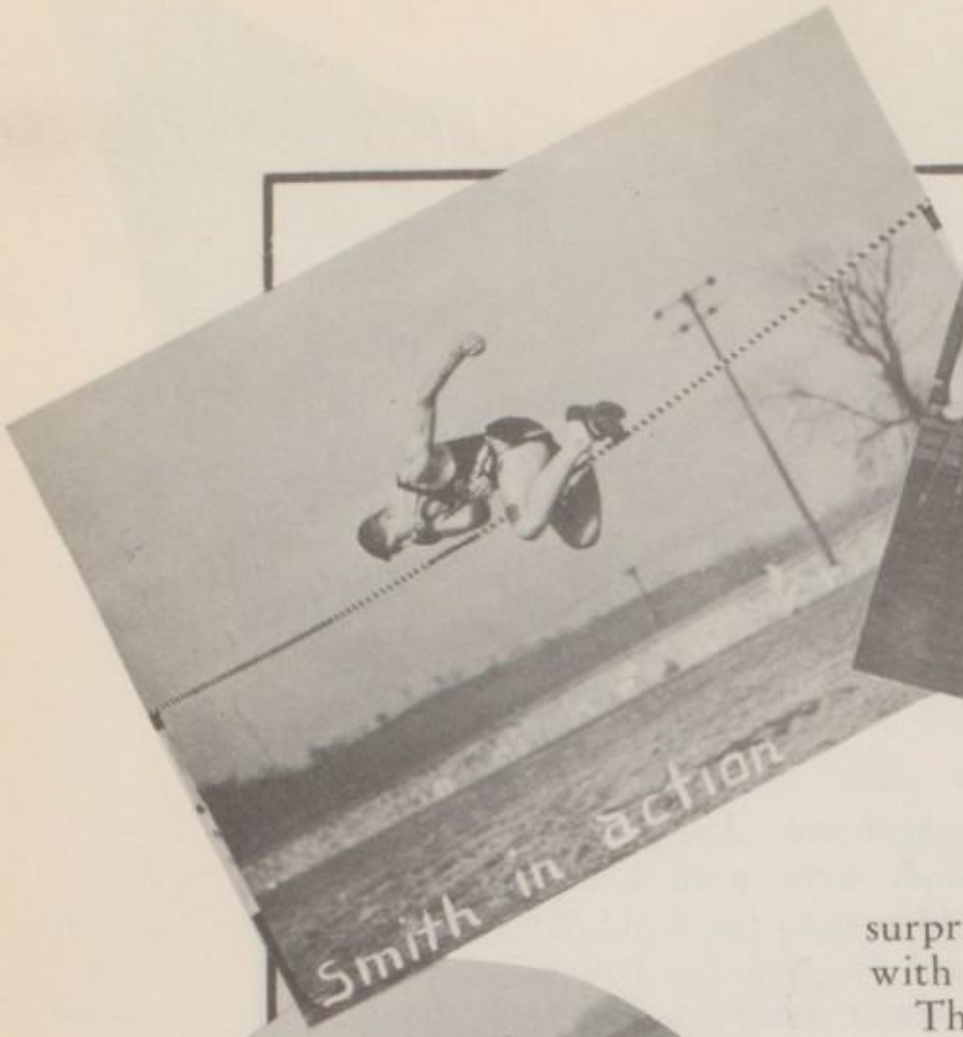
In the first scheduled meets, the Indian tracksters exhibited excellent form as they defeated Lawrence 96 to 45, and North Kansas City 88 to 53. As the Annual goes to press April 14, Shawnee-Mission has won a meet against Argentine, 82 to 53, and placed second in the All-City Meet with Wyandotte and Argentine.

Our first track meet held at night under the lights was a triangular event with

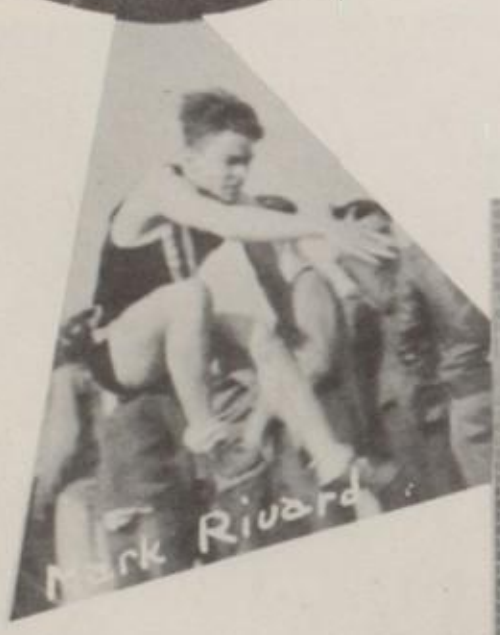


Olathe and Atchison April 15. Other scheduled events were with Leavenworth April 25 in addition to the K. U. Relays at Lawrence April 18, and the Baker Relays run off at Baldwin April 26. The N. E. K. Meet was held at Leavenworth May 3, the Regional was May 10 at Lawrence and the State Meet was held at Emporia May 16.

Racking up the majority of the points for S-M were Roger Crawford, ace Indian hurdler, Beck, Walters, and Cooke, dash men, Renfrow, Amberg, and Walth Way, weight men, and Capt. Lyn Smith, all-around team man. Also playing a prominent part in the success of the squad were the underclassmen, who through their strong desire to earn a berth on the team, showed



Newcomers this season, freshmen squad



surprising skill and ability in competing with the more experienced lettermen.

Through hard work and many hours of practice, Coach Snodgrass developed the '47 squad into another first-class team and maintained the high standards of athletics for which Shawnee-Mission has always been noted. Assisting "Pop" Snodgrass were Carl Ison and William Atwell. Mr. Ison coached the broadjumpers, high jumpers, and pole vaulters. Mr. Atwell tutored the weight men, and "Pop" handled all runners and relay teams.

Adverse weather conditions caused several meets to be postponed, but the S-M Thinclads took such events in their stride. Practice went on through all kinds of weather. Even S-M stairways and corridors were used for sprinting when a wet track prohibited outdoor workouts.

LOYAL SUPPORT at games was furnished by the Girls' Pep Club which boosted school spirit. Miss Gertrude Welch was the sponsor. The officers chosen to preside for this school year were Martha Denni, president; Helen Kittle, vice-president; Pat Stewart, secretary; and Martha Fraser, treasurer. To be eligible to hold office, a girl must be a senior and must have been in the club for one year. The girls boasted the fact that they had five out of the seven cheerleaders. They were: Shirley Kyle, Dottie Jones, Sue Sperry, Judy Johnson, and Sharon Fitzpatrick, who was an alternate.

An annual dinner was given for the senior girls by the under classmen.

GIRLS' PEP CLUBS

"Yea team, we're with you!" Meaning the Boys' Pep Club, of course. These little lads in bright red jackets were always at games and track meets to give their lusty support to the teams. Fifty in number, the Boys' Pep Club received five new members elected by popular vote from each class each year. Mr. Joseph Finnerty sponsored the organization this last year.

Jointly the Boys' and Girls' Pep Clubs gave the ever popular Athletic Banquet on March 29th at Garrett Hall. This yearly event is long remembered by those who attend.

Officers for the Pep Club were Bob Larberg, president; John Brooks, vice-president; Bill Beilharz, secretary; and Bob Robertson, treasurer.

The Birth of Shawnee-Mission

HISTORY OF NEW BUILDING

TWENTY-SEVEN YEARS AGO citizens of northeast Johnson County faced a perplexing problem. How were their children to get an adequate high school education as conveniently and yet as inexpensively as possible?

The year 1920 found northeast Johnson County the only community in the area without rural high school facilities. At Overland Park and Merriam there were two district grade "D" high schools, but parents were not satisfied with these. They wanted their children of high school age to receive such education as would admit them to a state university. A possible high school enrollment of 150 needed a well-equipped school plant. Of this number more than forty per cent were compelled to go outside the county and even across the state line into Missouri for a first rate high school course.

September 23, 1921, dawned bright and clear and the battle of the ballots was on. Those favoring the proposed rural high school district had prepared and mailed to

The Chancellor from K. U. speaks to community

each of the voters in the district a printed pamphlet, giving true facts about the high school. Unusual interest was manifested. A final count of the ballots showed a total of 1,049 votes for and 975 votes against the proposition to organize a rural high school district. There were 1,027 votes for and 925 votes against the proposition to authorize $150,000 in bonds for the purchase of a site and the erection and furnishing of a building. When the building was complete, it was considered the most up-to-date building in Kansas for the funds that had been used for it.

It was an eventful day of proud attainment when Chancellor Lindley of Kansas University came to dedicate the new Shawnee-Mission Rural High School Building.

MR. MILLS

FAITHFUL SERVICE through twenty-two years . . . such was the record established by Mr. Bert Mills, head custodian of Shawnee-Mission for almost a quarter century. Well-liked by students and faculty, Mr. Mills gave dependable and cheerful assistance to anyone who needed his help. His friends are pleased to know that Mr. Mills now lives in Eureka Springs, Arkansas, where he is taking a much-deserved rest.

Mr. Bert Mills, retired after 21 years

In this anniversary *Indian*, students and faculty wish to pay homage to Mr. Mills, whose loyalty to Shawnee-Mission encouraged the school's progress.
